

Cumbria Centre 2018 Handbooks

Our 2018 Rally Handbooks were posted out on Friday 5th January 2018 and should be starting to land on your doormats.

Please note that we are only able to post Handbooks out to members recognised by East Grinstead as being Centre Members. They send us member names and addresses on sticky labels to use. We then cross reference these sticky labels with the list of 2017s rally attendees provided by our Rally Officers. This method is not fool proof, or necessarily accurate but it is currently the only method we have.

If you have not attended a Cumbria Rally last year then unfortunately you will not be on our issue list, but you can purchase a Handbook for £3.

If you were expecting to receive a rally Handbook and haven't, please contact a committee member and we can arrange for one to be posted out.

Looking forward to seeing you out there on the rally field.
